Effective February 18, 2013:

Due to an increasing amount of cancellations the day before scheduled procedures, there will be a charge of **\$150**, if you do not cancel your procedure without a **48 business hour** notice. (For example, if you are scheduled on a Monday, you will need to cancel by the Thursday prior.) This is to allow our staff to fill the appointment with someone else in time to prep for the test.

If you are having difficulties with preparing for the test (after office hours), please contact the physician by calling 410-535-4000.

Thank you for your understanding,

Calvert Internal Medicine Group
